

# Christmas Appeal 2019

What you helped us achieve this Christmas

**£12,000 raised to help  
people facing  
homelessness**

Over £20,000 worth of food  
and gifts received

Over 170 volunteer hours  
given by 50 volunteers

75 gift bags handed out,  
alongside food hampers for  
over 50 properties

300 customers served  
through the Food Stop with  
1200 days worth of food

A present under the tree for  
every child with Action  
Homeless

Action Homeless would like to thank everyone who supported our Christmas Appeal by volunteering, donating money and giving items from our wish list.

Your help enabled us to provide support to people in need at a difficult time of year.

One of our highlights was being able to open a new home, that offered beds to 8 people facing homelessness, in time for Christmas.

This wouldn't be possible without your support and the money you helped raise will enable us to continue providing homes for people that need them in 2020.

## Special Events

### Make a House a Home with Fosse Park

A campaign by Fosse Park to support families living with Action Homeless raised over £1000 in cash and £500 worth of gifts and toiletries thanks to donations from generous shoppers

### Bridge House Christmas Party

The families at Bridge House went out for food and bowling before coming home to discover a very special person had arrived to give them their Christmas presents!

### LCFC visit Mayfield House

### Phoenix Donation Screening

The annual donation screening at the Phoenix Cinema was a success again thanks to generous donations from members of the public.

## Your support means we can help people like Rob:

"Action Homeless gave me a home when I didn't have one. They also funded my travel to college in another town as I trained to become a nurse.

I have just qualified and start a new job this month. I also have my own home and my sons have been able to move in with me. I want to say a big thank you to Action Homeless for all the support they gave me"
